SCHOOL SWIMMING CARNIVAL

The school’s annual swimming carnival took on Friday 1st February at The Des Renford Aquatic Centre. An enjoyable day was had by everyone. With a packed programme we still managed to finish the entire carnival on time thanks to the efficiency of the teachers and the cooperation of all students. Special thanks to all the parents who assisted so ably with the various important jobs. A big thank you to the Visch family for their assistance with the tent as well as timekeeping. Thank you also to Susie, Delia and Jane for great timekeeping.

The district team will compete at The Des Renford Swim Centre on Wednesday March 6th and their names will be displayed on the notice board near Year 2 classrooms next week. The swimming ribbons will be handed out at our first principal’s assembly.

SEE YOU THERE!
Welcome back to those of you who are returning to Bronte for another year, and a warm welcome to those of you who are beginning a new learning journey at Bronte Public School. I hope you all had a wonderful Christmas holiday and are settled into new routines.

The P&C Annual General Meeting for 2019 will be held on Wednesday, February 13th, at 7pm in the Library. Everyone is welcome! Really! It’s a great way to meet people and share ideas. The Bronte P&C work for the benefit of the school and its students, organising many fantastic events and activities. So why not get involved? Your participation is greatly appreciated.

Helen Foster is excited to be back and joins Clare Baptist, Kylie Landrigan, Katrina Black and me in the leadership team. Kylie Landrigan and Katrina Black will be relieving as Assistant Principals. My old position of Assistant Principal is going to be advertised at the end of this month. Congratulations to Kate Butson on her new arrival “Juniper” Kate is currently on maternity leave and will be continuing at Clovelly Public this year. We welcome Adam Smith who is teaching 3S, he is very excited to be here with us and is also a talented photographer keen to manage our school twitter account. Welcome back to Lee Peery who is teaching 2P and Michelle Bishop on 5B. Kylie Maunsell is working with all classes this year to support professional development including, the best use of technology, UR Strong, differentiated teaching programs and individual student learning goals.

Wearing the Bronte Public School uniform is an honour and an expression of pride in our school. We have a policy which strongly encourages all students to wear their full school uniform, and it looks great too. Please make sure you wear your school uniform every day.

Are you an architect? I’d love ideas or suggestions from parents to improve the student bathrooms at Bronte Public School. Last year’s student satisfaction survey indicated that students would like to see improvements to the toilets at school.

We have made a big change to assemblies this year. Class assemblies are on Friday afternoons at 2pm. Principal’s assemblies will be moved to the new time of Wednesday morning at 9am. We will have fewer Principal’s assembly and the band will perform at these. The first assembly is on Friday the 15th at 2pm. ‘Meet the Teacher Nights’ are coming up soon in week 4 (an invitation is attached). These information sessions provide parents with an overview of what the year will look like in terms of teaching, learning, themes, and expectations. See you there!

Welcome Back!

Composite Classes

Don't panic if your child is in a composite class this year. They are a far cry from the ones you remember from when you were in primary school. In fact, grouping different aged children together can be of great benefit.

Most public schools throughout NSW have composite classes. Schools organise their classes this way because of uneven numbers of students in different years. Bronte PS has composite class, and will always have composite classes, and your child will most likely be in one once or twice during their time here.

Unfortunately the word ‘composite’ is feared by some parents. This fear however, almost always subsides when they gain a greater understanding of how the classroom operates.

Teachers look at all classes as composite (even if they are not), with varying ages, gender, maturity and abilities.

A teacher’s emphasis is on the progression of the individual child through logical stages of learning. In every class – including composite classes – students are assessed to ascertain their current level of learning. The teacher will then design and implement a program that caters for all students’ needs, while keeping in mind that content in the stage or stages must be taught.

The most important factor in student success at school is the quality of the teacher.

Assessment data shows that students do not suffer as a result of being in a composite class. In fact there are extra benefits for students. These include; smaller group teacher instruction when the other grade group is otherwise engaged, developing independence, a wider choice of friends, and early opportunities for leadership roles.

Is your child happy?

The Department of Education says that “overseas (UK) research has shown children in composite classes do no better or worse academically than their peers in straight grade classes, but that, socially, their development is enhanced. They are more confident, can operate better as part of a group, are more assertive, become more independent learners and better problem-solvers. They also make friends outside of their standard age-groups.”

Bronte Public School photos will be held on Wednesday 20 February in Week 4. Flyers will be sent home this week with all the information required. Payment is strictly available online only.
Parents and families welcome this Friday at 2.30

We are welcoming the Year of The Pig at Bronte Public School with a Lion Dance.

This is part of a P&C-led initiative to help bring more cultural awareness to Bronte Public students, and we are fortunate to have a band of Chinese performers visit our school.

The performance will take place on the Top Grass at 2:30 on Friday, and should only go for 30 minutes. It will be a colourful and loud display of acrobatics and drumming to celebrate the New Year.

Ten Tips for Parents of Children Starting School

Provide information about your child's immunisation status
Your child will be coming into contact with lots of other children and infections can spread very easily. Immunisation records need to be presented for Kindergarten enrolment. Under the Public Health (Amendment) Act 1992, children who have not been immunised may be sent home during an outbreak of a vaccine-preventable disease.

Learn the names of the important people at the school
Learning the names of staff will help you communicate with your child about their day at school. It is also important that you have a relationship with your child’s teacher and principal to ensure you are up to date with your child’s progress.

Give all information about your child to the school especially medical and special needs
You know your child best. Your child’s kindergarten teacher will have many students to get to know. Help the teacher understand your child better and faster by sharing information and insights. This will also ensure that your child gets any essential attention.

Provide emergency contact numbers
The school might need to contact you urgently. Provide alternative numbers and contacts in case the school is unable to reach you.

Make the school aware of any special family circumstances
Any changes to your child’s family situation can impact on their emotional and academic well-being. Inform your child’s teacher and principal about any changed circumstances so that the child can be supported if necessary. Examples of special circumstances include the birth of a sibling, divorce or the death of a loved one.

Establish routines with your child and stick to them
Prepare your child for a more structured day. Make a daily routine that includes mealtime, talking time, and reading time.

Make sure your child is road/travel safe
Children should know to cross the road only at marked crossings. Please set a good example. Take particular care when you drop off and collect your child from school.

Become familiar with school activities - develop a relationship with the school
Parents/caregivers set an example. If you are positive and encouraging towards school, your child will be too. Both the students and teachers will appreciate your involvement and assistance in activities ranging from sports and excursions to music and drama presentations.

Educate your child about ‘stranger danger’
Teach your child not to talk to strangers. They should not accept gifts or lifts from someone that they do not know.

Label equipment and clothing
Replacing lost clothing and equipment is expensive and inconvenient. You should clearly mark every item with your child’s name.

PRESENTED BY BRONTE
PUBLIC SCHOOL P&C
Bullying Information for Parents and Students

At Bronte Public School we aim to establish a community in which everybody works together and feels valued and safe, and where individual differences are appreciated, understood and accepted.

Bullying is behaviour that occurs ‘over and over’ when a person; is called names, is threatened, is put-down, is teased in an unkind way, is ridiculed, has property hidden, damaged, stolen or destroyed, is physically hurt, has graffiti written about him or her, is left out, is sent hurtful notes, is singled out for unfair treatment, is picked on, has rumours spread about him or her, and / or is stalked or given dirty looks.

**BULLYING**

**NO ONE LIKES IT**

**NO ONE DESERVES IT**

**NO ONE NEEDS IT**

**SO REPORT IT**

If your child is being bullied; Listen carefully to your child, Assure your child that it is not his/her fault, Get accurate details, Talk to your child about things they can do if they are bullied, Tell the class teacher about the problem, If the problem continues seek support from the Assistant Principals and/or the Principal.

If your child is bullying others; initially you will be defensive and unbelieving (this is natural), Find out all the facts (preferably from the school), Emphasise that bullying is not acceptable in your family, Show your children other ways to behave, Seek assistance from school or health professionals, Be clear about what will happen if the bullying continues, Reward appropriate behaviour, Listen carefully to your child (something may be worrying your child and causing the behaviour).

**WHAT YOU CAN DO IF YOU ARE BEING BULLIED**

Avoid them. Walk away. Try not to find yourself alone with them. Stay in sight of an adult. Be firm and strong even if you don’t feel it. Tell them to leave you alone and walk away. Ignore them. Find a friend. Play with friendly children. Get help from older students or older brothers and sisters. Go to the Library. Don’t fight back physically. It just gets you in trouble too. Tell the teacher on duty, your class teacher, the Principal or Assistant Principal. Go to a trusted friend and seek help. Tell your mum or dad or someone else you trust about what is happening at school. Talking about a problem is NOT dobbing. We want to make our school safe for everyone.

**WHAT CAN YOU DO IF YOU SEE SOMEONE ELSE BEING BULLIED**

Speak up and let the person doing the bullying know what they are doing is bullying. Refuse to join in with their bullying and walk away. Support the student who is being bullied to ask for help. Ask a teacher or support person for help. Reporting what happened can help 'unravel' a situation.

“Bullying is so uncool. We don’t want this at our school.”

“Say stop, never fight, get some help, make it right.”

“Don’t stand by and watch people be mean. Speak up, you can change the scene.”
From 3pm Monday to Friday

- Cars line up (surname displayed on left dashboard or sun visor).
- Engines stay on (parent/carer remains in the car).

The BRAINWAVES Club

G.A.T.E.WAYS is running enrichment clubs on Saturday afternoons between 1:30 pm and 4:30 pm. Like-minded children become members of a club in their area of passion. They meet on a fortnightly basis to engage in challenging and enjoyable activities to extend their learning.

Parents can go online and enrol their child directly into their child’s preferred club. Your child’s suitability to this level of extension must be confirmed via non-parent nomination (for example, teacher, tutor nomination or a diagnostic testing report). There are limited places available at the following venues – Bondi, North Curl Curl and Ryde.

For further information please call G.A.T.E.WAYS on 9940 0303 or visit this URL:

P&C FAQS

Did you know that each year the P&C provides funding to Bronte Public School of $60 - 100k?

Why does the P&C need to raise funds?

We are fortunate that our school provides an excellent all-round standard of primary education. A large part of this is due to the incredible dedication and expertise provided by our teaching staff.

However, as in most public (and private) schools, additional funds bring to life special projects and programs. This allows us to go beyond the ‘basics’, which are provided for by the government through our taxes, and in short we can provide more for our children.

How is it decided where the money goes?

At the beginning of the year the Principal, Catherine Ryan, provides a “wish list” to the P&C. The wish list is created in consultation with the teachers to identify where P&C contributions can make the biggest difference in our children’s primary school experience. The “wish list” is then voted on at the P&C meeting and becomes part of the budget.

As items arise during the year the P&C vote on expenditures at meetings on a regular basis.

Where did the money get allocated in 2017 and 2018?

Key areas included;
- 2 days a week of teaching support were provided – every week – approx. 100 students accessed these services
- Contribution to the solar panels
- Science resources
- Mathematics Resources
- 1

How much money are the P&C contributing in 2019?

To be decided early 2019, so please come along to our meetings. Held normally on week 3 and week 7 of each term.
Why does the P&C need my contact details when the school already has them?

Due to privacy laws the school is not able to provide your contact information. We use your contact information to create a class list. Class Lists are great for organising class activities, arranging play dates and getting to know the other families in your child’s year. The P&C also uses this information to send out information about upcoming events.

Can I make a tax deductible donation to the P&C?

Yes! In 2016 we obtained a tax ruling to create a Building Fund.

The Building Fund money can only be used to pay for specific “building” projects and not for ongoing maintenance or human resources.

The Building Fund was used at the end of 2016 to pay for the air conditioning in the 4 classrooms in the 5/6 building.

All donations to the Building Fund over $2 are fully tax deductible. If you are interested in making a tax deductible donation then email brontepandc@gmail.com and we will send you some information.

DIVVY OF FRUIT & VEG 3PM THURSDAYS, PICKUP BEFORE 6PM

FOR MORE INFO AND TO ORDER YOUR 1ST BOX, VISIT WWW.MYORGANICSCHOOL.COM OR CALL 0419365757
Did you know our school runs an Organic Fruit & Vege Box co-op on Thursdays at 3pm. Working as a community with the parents packing the boxes makes the produce approx. 40% less than normal retail prices so you can finally afford to remove pesticides from your family's produce.

Funds from the co-op help build the school vege beds you see at the entrance to the school and teach our students a "where does your food come from" class on Monday lunchtimes a 11am in the vege gardens. Please tell your children to come along, the classes are lots of fun.
Your help divvying the produce at 3pm Thursdays is appreciated but if you are not available due to work commitments you can still buy a box each week and maybe help out with a monthly Saturday morning 30 min school grounds tidy up. Boxes are available to be picked up until 6pm Thursdays from the school hall.

Waverley Council invites you to join us in a Walk for Respect – Together by the Sea.

On Sunday 3 March 2019 we will walk in celebration of community harmony, diversity and multiculturalism.

Meet at Biddigal Reserve Bondi at 11am for a short walk to Dolphin Court at Bondi Pavilion.

Show your support, catch up with friends and enjoy some entertainment.
