Stage 3 Speak Off

Dear Parents and Carers,

The past two weeks have been very busy with students engaged in lots of reading, writing, mathematics and public speaking in every classroom and across the school debating, sport, music lessons, a science Incursion, ICAS exams, GATEWAYS and special Zoom lessons with authors at the Opera House. Enjoy the photos!

It was wonderful to listen to the Stage 3 Public Speaking finalists share their speeches on anti racism and multiculturalism. Congratulations to Claudia Gerber, Elsa Wright, Zoe Romans, Zeki Dumduz, Francesca Ponzanelli Aponte, Jeremy Harman, Emilie Satchwell and Lottie Blair who were chosen to represent from their classes.

Kinder Transition will look different this year. Later this term we will greet and meet parents in small groups through Zoom meetings to share a virtual tour of our school and information about transition to school. There are no plans for the children to visit this term but this will be revised next term. Thanks goes to Mrs Landrigan's husband– Brian who filmed a virtual tour of Bronte PS that will be released soon.

The Department of education sent an update on COVID Guidelines this week. It reinforces the current status with a few extra precautions. You will notice extra signage at the front of the school to support the update. If a parent is onsite for any length of time they will need to complete the External visitor Form. Thank you for your patience and assistance in this matter.

This Term, our school will be participating in the Department of Education's Partners in Learning parent survey. Running this survey will help our school understand parents' and carers' perspectives on their child's experience at school. These include: communication between parents/carers and staff, activities and practices at home and parent/carer views on the school's support of learning and behaviour. This valuable feedback will help our school make practical improvements.

The survey will typically take 15 minutes or less to complete and is completely confidential.

Please find a link to the Parent Survey:

The inspiring and creative RAW Art artists are back in Bronte classrooms!

Each K-4 class will participate in three workshops, during the term, exploring drawing, printmaking, textiles, clay, mixed media sculpture, painting or collage. These workshops complement The Visual Arts learning area by developing their knowledge, skills and understanding in making artworks informed by their investigations of the world as subject matter. Raw art sessions also link to improving literacy and numeracy skills, to self-confidence and a sense of well-being, the ability to problem solve, not to mention harnessing their fine motor skills.
