

On Monday, 29<sup>th</sup> March, all K-2 classes went to the hall to see a show called 'Let's STAMP Out Bullying'.

Sam taught us what to do if you are being bullied.

S – stay away

T – tell someone

A – always help

M – make friends

P – play nicely

It was a funny show. In one part, Sam was saying that sometimes bullies are lonely and want friends. Croc (a puppet) said it's impossible for bullies to be nice and slammed his head on the desk.

Sam did lots of magic tricks in the show. We liked the rope trick, the trick where she made the drawing talk and move its eyes and mouth, and the trick where she changed a bottle in a bag into a jar of jellybeans with worms inside.

We all had lots of fun at the show. We know more about what to do if bullies are bullying you.

TERM 1, 2021

# LEARNING ABOUT FIRST CONTACT

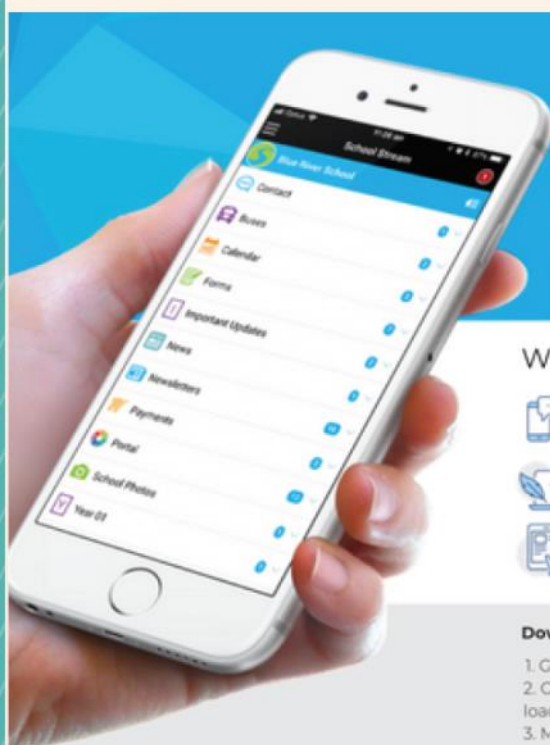

# Tennis!

For school sports, tennis was chosen by many kids. Justin and Vince were skillful and enthusiastic coaches who helped students learn and appreciate what fun a game of tennis is. Every Friday, everyone was very excited to hop on the bus and have a hit, learn strokes, play fun and active tennis games! If your child would like to participate in a tennis camp at Parklands, and practise tennis during the holidays and learn more register at [www.parklandssports.com.au](http://www.parklandssports.com.au). Flyers are available at the school office.

# SPANISH DAY PERFORMANCE

## Senior Band Assembly

Dear Parents and Carers,

This term has been full of highlights. These included; Kinder parents at school to celebrate their child's first day and week of school, Meet the Teacher nights, the Swimming Carnival, band assemblies, Harmony Day, Spanish Day, Parent Teacher interviews, the Cross Country Carnival in Bronte Gully, numerous class incursions, as well as tomorrow's Easter Hat Parade and raffle. Everyone has respectfully supported COVID guidelines while connecting as a community. Well done Bronte PS!

Each week 'Ms Ryan's and Mr Brandon's Problems of the Week' are circulated around the classes, and they are getting quite challenging of late. Well done to all the students and teachers, who have a go each week at solving these problems. Even some of the 'Super Challenge' problems are being solved by a few talented mathematicians. See if you can solve this super challenge problem: I am a number. I am a multiple of 7. I am also a multiple of 5. (That means I am a common multiple of 7 and 5.) I am not 35. I am less than 100. What number am I?

Finally this term, it's my great pleasure to share with you the news that Ms Carly Olander is expecting her first child and will be replaced by Jillian Freede from Term 2. Congratulations and we wish you all the best!

Have a safe and happy Easter Holiday!

Catherine Ryan,  
Principal
