After 4 years the BPS School Band is getting back together in Term 2!

Please submit your Expression of Interest for Years 2-6

DEMONSTRATION FROM MR GIBBY AT ASSEMBLY 5TH APRIL

:: BRING YOUR INSTRUMENT TO HAVE A GO ON FRIDAY 5TH APRIL ::

Dear All,

It's been a wonderful fortnight at BPS with exciting classroom programs, a beautiful Harmony Day/ World Down Syndrome Day assembly, Stage 1 History excursion and the P&C Welcome BBQ. Kinder -Year 2 classes have been well supported by parents and teachers to make Easter Hats for this Thursday's Easter Hat Parade. Thanks to the P&C for a fabulous welcome BBQ a couple of Fridays ago. A cake store, BBQ, jumping castle, and parent and student bands came together in a wonderful atmosphere of fun and friendship. Thank you to the P&C for your hard work and organisation. Thanks also for

promoting the Colour run to be held in the last week of term. Thank you everyone for asking family members to donate to BPS for school computers and playground improvements.

The School Band is starting up, in time for the start of Term 2. Tony Gibson will conduct the band one morning before school. Tony conducted the school band prior to COVID, leading them to win gold and silver medals in many competitions. He is excited to return and brings music expertise and talent. Please complete this Expression of Interest to secure a place for your child. Band trials will be held on Friday the 5th of April, prior to assembly. We encourage interested students to bring an instrument and have a go! Expression of Interest for the Bronte Public School Band HERE

The Cross-Country carnival is on Thursday April 4th for Years 3 -6 at Bronte Gully. It's a fantastic event set against the stunning beach. Thanks to Ellie Eagle for organising the event. Notes are on School Bytes. Feel free to join us during the morning. Wishing everyone a safe and happy easter long weekend. Catherine Ryan Principal

Welcome BBO

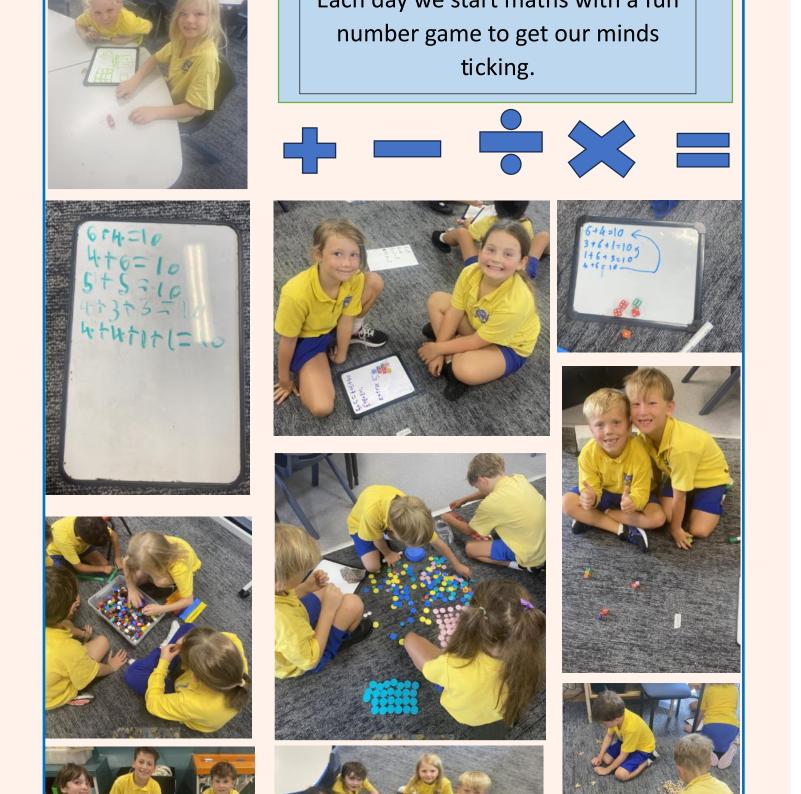

Thank you to everyone who attended the BPS Parent Reading Workshop last week. This informative session detailed the elements of learning to read, as well as some helpful ways parents and carers can support their children at home to consolidate their reading skills.

This workshop included information about how decodable and levelled texts support your child's reading journey and are designed to develop a child's confidence in blending sounds, reading aloud, with accuracy, fluency, and expression, as well as nurturing a love of reading. The key message of the workshop was the importance of nurturing a love of reading.

Children learn from being read to, reading with others, and reading to themselves. Through reading children learn empathy and understanding, it develops their imaginations, and opens doors to a whole universe of knowledge. It really is one of the most powerful skills children can learn. Not only does parent involvement have a profound impact on a child's reading journey, but also on their language and literacy learning in general. Please don't underestimate the important role you play in championing your child's love of reading.

If you could not attend the workshop, please take a moment to view the <u>BPS</u> <u>Parent Reading Workshop Presentation</u> and the additional <u>Parent Reading Take-</u> <u>Home Resources</u>.

Don't forget to visit your local library or you can also access <u>Wheelers Online Library</u> (Your child can sign in using their school username and password) for decodable and levelled texts as well as quality literature.

write with ink pens. We had to dip the pen in the ink and be careful not to put too much ink on our writing. We did some handwriting – the letters were very fancy. In those days, children were given the cane for all sorts of things like messy work, being late or stealing an apple. They also had to clean the classroom every day.

We did a treasure hunt in another classroom and found lots of old things. They had wooden pencil cases and big suitcases. The children read books and played games, but the books looked old and a lot of the games were different.

We went on a bus to the excursion and had to drive across the Harbour Bridge. It was a fun day.

SCHOOL COLOUR RUN!

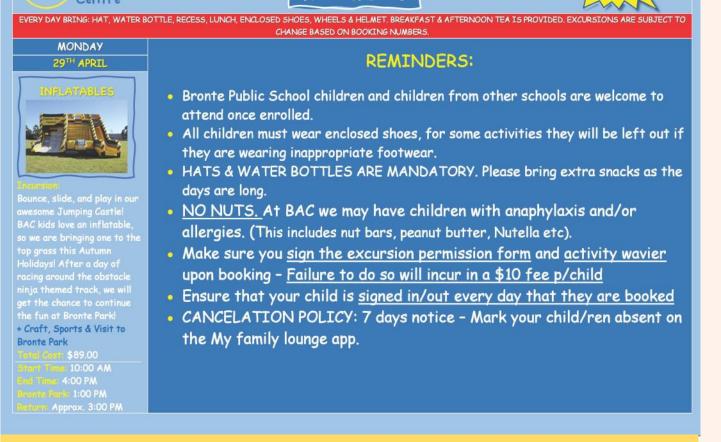

With less than 2 weeks to go... the excitement is building for our school colour run on Wednesday, April 10th!

Thank you to all the students who have created a profile already! Through your efforts so far, we have raised more than a quarter of our fundraising goal! Over \$15,000!

Remember, there's still time to get involved! We are raising funds for school playground improvements

Updates

Allergies and Asthma

A number of students at Bronte Public School have severe allergies resulting in a condition known as anaphylaxis. Please note that, while the school can never be considered a nut-free zone and nut products are not banned in the school, we do ask for parents' co-operation in providing alternative food products for their children. For some affected children even the slightest contact with nuts or nut products or other allergic foods can result in a life-threatening reaction. We also ask that you discuss with your children the importance of always washing hands before and after eating and not sharing their food with others. Students can be allergic to any number of things, including eggs and seafood. Teachers have provided information to support class celebrations and birthdays.

If your child has an aphylaxis, it is a mandatory requirement for all schools to
