# Day of Dignitaries

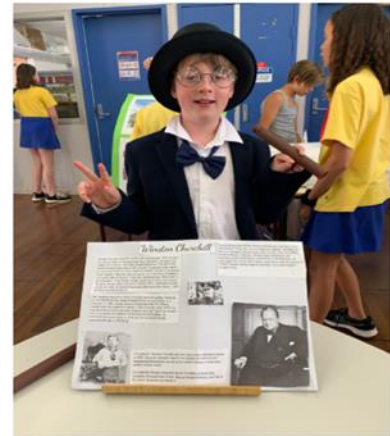

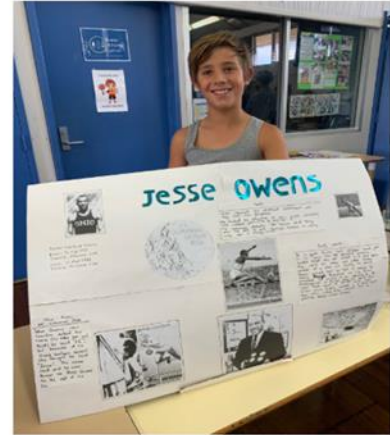

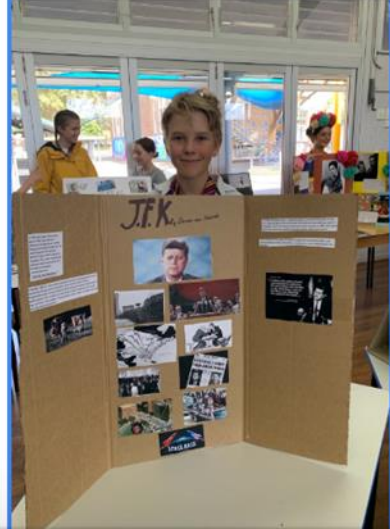

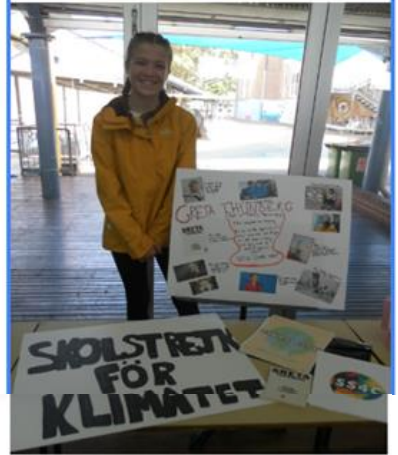

On the 19th of November, year 6 performed their Day of Dignitaries speeches. Normally year 6 would do Night of Notables but due to Covid 19 restrictions we had to change it to Day of Dignitaries.

Day of Dignitaries is a day where year 6 children dress up and give a 1 minute speech on a famous person that made a great impact in the world. As well as dressing up and giving a speech, year 6 create a poster on the person that they have chosen, they set the poster up on a table and people come around and ask questions about the dignitary.

Congratulations to all the year 6, everybody did an amazing job!

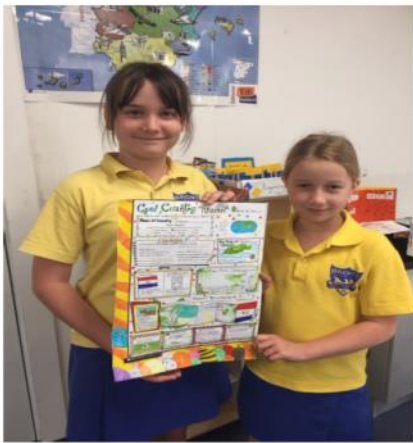

**Year 6B & 5/6G**

Stage 3 participated in a group work project and they created a "Diorama" about Hispanic food.

**Year 4P, 4PL & 3/4E**

Year 4 learnt about the Spanish speaking countries. They participated in a group work project and presenting a Hispanic country report to the class.

# Library Wrap Up 2020

It is hard to believe that we are wrapping up another year in the library. A big thank you to all members of the Bronte Public School community for their continued support. Even with the challenges of 2020 we have managed to have another amazing year, celebrating the joys of reading and children's literature with the students and staff. We finished the term with a very successful book fair and raising some much-needed funds for new resources. I wish you all a happy and relaxing holiday season and look forward to a fantastic 2021 in the library.

## *From the Principal*

Dear All,

The year 6 Day of Dignitaries demonstrated how grown up, eloquent and confident our Year 6 students have become. Next week teachers have organised two special assemblies to acknowledge student achievement from Years 3-6 at school. On Wednesday morning students will be presented academic awards at a special student only assembly and we will video this event for parents.

One parent of every Year 6 student will attend a graduation ceremony next Wednesday afternoon from 2pm at school. We have a COVID safe plan and look forward to this special occasion.

Bronte Idol continues this week with Kindergarten performing on Thursday at lunch time and as you can see by the photos in this newsletter there is much fun to be had this term at school.

Today the whole staff enjoyed an end of year luncheon thanks to the P&C. Thank you for your generosity and kindness the teachers are very grateful.

See below the new P&C logo, it is a great design and it compliments the Bronte Public school emblem.

### **New branding for Bronte Public School P&C Association!**

The P&C have developed a new logo and branding to help differentiate between the work of the School and the work of the P&C. Whenever you see the P&C 'hands' logo you will know there is a volunteer team of parents behind it who are passionate about providing the best possible resources and environment for our kids.

The P&C is a separate entity to the School but exist purely to support the school community by:

- (a) Bringing parents, citizens, students and teaching staff into close co-operation.
- (b) Assisting in providing facilities and equipment for the school and promoting the recreation and welfare of the students at the school.
- (c) Encouraging parent and community participation in curriculum and other education issues.

The P&C raise money each year to fund school infrastructure and teaching resources that directly benefit your children and the community and run a number of community building events and initiatives throughout the year. Much of this is not possible without the kind support of the community.

You can find out more on the P&C website [www.brontepandc.com](http://www.brontepandc.com), follow the P&C on Facebook [www.facebook.com/BrontePublicSchoolPandC](https://www.facebook.com/BrontePublicSchoolPandC), contact the P&C via email [brontepandc@gmail.com](mailto:brontepandc@gmail.com), and everyone is invited to attend a P&C meeting (there are two each term) to have their say. New members always welcome! Best Wishes from the P&C

Dear Catherine,

#### Re: 2020 NSW Environmental Education Awards

Congratulations once again on your school being nominated for our 2020 NSW Environmental Education Awards. We were so impressed with the high calibre of every nomination we received.

As announced at our recent awards event, it is with great pleasure that we confirm acknowledgement of the school as a highly commended nominee in the **Sustainable Schools NSW School of the Year Award 2020** category.

The judges particularly noted the school's engagement of the whole school community in your sustainability journey and the broad range of sustainability programs and initiatives embedded at the school.

We are currently in the process of getting a framed award to the school and we'd love to work with you to promote the school's receipt of the award and the great work you are doing. Please contact us at [project@aaeensw.org.au](mailto:project@aaeensw.org.au) if you would like a media quote or assistance developing any communications.

Each year these awards promote and recognise individuals, organisations and programs in NSW that have provided leadership and inspiration to others while contributing to quality environmental education. 2020 was our largest awards ever, with five new categories awarded and our highest number of nominations received since the awards began. We are thrilled to recognise the work of the team at Bronte Public School as part of this year's awards.

Congratulations once again and we look forward to working with you over the coming months to promote the excellent work you are doing.

Yours sincerely,

Sue Martin

## Social Justice Campaign at Bronte PS

For the rest of Term 4 we are embarking on a whole school social justice initiative called the JRS Foodbank. The idea was presented by a parent, Jacoline Bekker, and welcomed by teachers and students in Stage 3 who will coordinate the collections at school.

Every child has a leaflet in their bag explaining the process to donate food.

Every teacher will accept the long life food in their classrooms and the Year 5 students will collect it each morning.

JRS Foodbank's focus is on helping and feeding desperate refugee and asylum seeking families – the need has escalated due to COVID19. For the whole of last year they had delivered 2,000 food packages but since COVID19 they have delivered close to

4,000 over the last 6 months. Refugees and asylum seekers have been significantly impacted by the pandemic as their families work in highly precarious, service orientated sectors which have experienced significant job losses. Most don't have access to JobSeeker/JobKeeper either.

The included brochure outlines the JRS Foodbank appeal and it would be wonderful for the Bronte Public School community to contribute, even just one item per family. Their four main items are rice, oil, long life milk and tinned tuna but any of the items on the list will go a long way.

Thank you Bronte!

**JRS**  
JESUIT REFUGEE SERVICE

# JRS Foodbank

During these unprecedented times, refugees and people seeking asylum in the community need your help more than ever. Non-perishable food, toiletries and financial donations are desperately needed and appreciated.

Food items:	Toiletries:
- Basmati Rice	- Nappies (large sizes)
- Cooking Oil	- Toothpaste and toothbrushes
- Long life milk	- Shampoo
- Tinned tuna, red kidney beans, lentils, chickpeas and fruit	- Sanitary pads and napkins
- Biscuits and muesli bars	- Razors and shaving foam
- Oats and cereal	- Deodorant (male & female)
	- Soap

**Thank you for walking with us at this critical time.**  
We provide emergency payments and food to hundreds of individuals, including children to pay for rent and life-saving medications. These people do not have access to Centrelink, Medicare, the Pharmaceutical Benefits Scheme so your support is critical.

Dear Parents,

Sydney Academy of Chess is considering running chess coaching at your son/daughters school, Bronte Public School. This class will run each week at lunchtime from 11:00am-12:00pm.

Chess is a valuable activity for children, developing their logical thinking skills, concentration and discipline, as well as being a source of much enjoyment! What great way to combine learning and fun!

These classes begin with an interactive lecture by one of our experienced coaches. During the second half of the lesson children play games against each other, putting newly learned strategies into practice. As the term progresses and the children become proficient in all the basics, the lectures will move on to more complex ideas such as strategy, middle game ideas and chess technique. Each student in the Chess program will also receive access to Chess Squad <https://www.chesssquad.com/> which is an online teaching/playing platform.

The cost for the coaching is \$12 per lesson per child. There are approx. 8-10 lessons during each term.

If you are interested in your child taking part in this activity, please fill in the form below and email to [enrol@sydneyacademyofchess.com.au](mailto:enrol@sydneyacademyofchess.com.au)

Thanks and regards,

## NITS

There have been a number of students in class that have been found with head lice. We seek your cooperation in checking your child's hair as soon as possible.

Head lice infestations are a common occurrence, particularly in primary schools. Head lice are transmitted by having head to head contact with someone who has head lice.

Please remember to tie back long hair, plaiting the hair is preferable. Further information is available on the following NSW Health website

<http://www.health.nsw.gov.au/publichealth/environment/headlice/treatment.asp>

We appreciate your assistance in this matter.
